

VIENNA CLARINET CONNECTION

Sing, Sing, Sing

A Tribute to Benny Goodman

vienna clarinet connection & symphony orchestra

Just in time for Benny Goodman's 100th anniversary Helmut Hödl composed „sing, sing, sing“ for vienna clarinet connection and orchestra.

„... The four virtuosos from vienna walk along the borders between chamber music, jazz and minimal music in a very relaxed way, completely without the usual effort of comparable crossover projects ...“
